### A FIFTH GRADER'S "WILD" ESSAY

A fifth grader's essay for class titled, "Buffalo Wild Wings Rocks!!!" was submitted to our Parsippany location. Everyone was blown away by how fantastic this essay was in describing the essence of our sports grill and bar.

Written on April 23 by Turner, the essay states:

"What is your favorite restaurant? There are many options! There are also tons of categories such as BBQ, Italian, or just fast food. My favorite restaurant has delicious wings, moderate service speed, and has a great location. *My favorite restaurant is Buffalo Wild Wings.*

First, Buffalo Wild Wings has the best food I have ever tasted. They have delicious burgers, mouth-watering fries, and best of all, their crunchy, spicy buffalo wings. You can choose the type of hot sauce for your wings. **Once you have one, you can't get enough!**

Second, their service is really good. The people are extremely friendly... The place is packed for its marvelous food!

Finally, it is located in a great location. You can find one almost anywhere. The closest one to me is in Parsippany, so my mom and dad are happy to take me there. Buffalo Wild Wings is great! I love to go with my family and get some amazing wings. You should really try it next time if you want to eat out for dinner!"

This year our Watchung location celebrated its third year of being in business and catering to our fantastic customers! In order to celebrate and show our appreciation for all of our hard-working employees who are truly the backbone of our restaurant, we ordered a cake (because, really, the only way to truly celebrate anything is with some cake... *and wings!*)

At Buffalo Wild Wings, we really love to show our employees how much they mean to us. That way, it creates a friendly and fun environment for both the employees and the customers—it truly creates a dynamic relationship!

Our Watchung location cannot wait to continue serving up some zesty wings, savory burgers, the perfect combination of salty and crunchy fries, and delectable desserts! Thanks for all of your hard work, Watchung!

# RUN, RUN AS FAST AS YOU CAN

On Saturday, April 12 Rockaway BWW sponsored the Morris Knolls HS Baseball Fundraising 5K. Over 400 runners showed up for the run, and we were on hand for all of it, handing out bottles of water and energy bars, along with flyers promoting our recently-updated daily promotions. Michelle Guglielmo, Brenna Mueller and Samantha Materia did a great job interacting with those that showed up and promoting our brand. Included in our sponsorship of the baseball team, our logo was also included on the shirts that all runners received.

## BDUBS INSPIRES ATHLETIC JERSEY #

A friend of Monmouth's Buffalo Wild Wings, Evan selected #82 for his football jersey number because he loves our restaurant so much! Evan is a member of the Little League team Monmouth is currently sponsoring for Eatontown.

Evan came in to eat in April along with his teammates and parents after practice. During his meal, Evan asked the managers if he could have BWW jersey to wear to his practices!

After hearing how much Evan loves Buffalo Wild Wings, we assured him and his parents that we would of course attend some of his little league games!

**EVAN**  
**(FAR RIGHT)**

Evan brings a huge smile to our faces, and whenever we share this story with others, our smiles grow wider and wider. It is quite incredible!

Although Evan is #82 on the field, he is definitely #1 in our hearts.

## RUN. EAT WINGS. SLEEP. REPEAT.

### ALL GM'S AND THE DIRECTOR OF OPERATIONS RAN A 5K

Our leaders travelled to Texas back in March for a 5K as well as a business conference. They ran, envisioning buckets of wings at the end cheering them on! (along with the cheerleaders, *yeehaw!*)

## BURGER FI IS A "HIT"

AMPAL Group opened its first BurgerFi on January 22 in Silver Spring, Maryland. BurgerFi is changing the way we look at the burger with all natural angus beef and no added antibiotics or hormones.

BurgerFi had a Food Drop on Friday, March 8 with "All the Hits 107-3," featuring afternoon personalities Marco and Brooke! The personalities shared BurgerFi's link on Facebook and Twitter in an effort to encourage their fans to enter to win a \$20 gift-card to the restaurant.

Marco and Brooke were so impressed with their food, they tweeted: "*Thanks to @BurgerFi for a yummy Friday!*"
